The Pennsylvania Association of School Business Officials presents the...

BEST CUSTOMER REWARDS PROGRAM

2016 - 2017

Your personal commitment to learning is rewarded through the "PASBO Best Customer Rewards Program." Pay for and attend PASBO workshops and earn credits that can be used to attend another program for free! Benefit is earned on an individual basis and is not transferable.

To participate, cut off the "Best Customer Rewards Card" at the bottom of this page and check off the appropriate credits as you attend PASBO programs. PASBO will verify against attendance records.

Credits will be accumulated on the following schedule:

- ~ Half -day workshop/webcast = 1 credit
- ~ Full-day workshop = 2 credits
- ~ Two-day specialty conference = 3 credits

Apply your credits toward an additional free workshop registration as follows:

- ~ Five credits required for a free half-day workshop/webcast registration
- ~ Ten credits required for a free full-day workshop registration

When you've filled your card with either five or ten credits, return it to PASBO along with your registration form for another workshop in the current program year. Credits cannot be used as partial payment for workshops or applied to outstanding invoices. All 2016-17 "Best Customer" credits expire on June 30, 2017. Questions? Call PASBO at (717) 540-9551.
