REQUIREMENTS FOR INITIAL TRANSPORTATION MANAGER CERTIFICATION

All applicants for initial certification under the PASBO Transportation Manager Certification Program shall meet each of the following requirements:

- Current “Active” or “Life” PASBO membership
- Three years of previous transportation-related employment in a public school system
- Education Credentials in any **one** of the following forms.
 - Associate’s Degree in an accredited institution of higher learning
 - Successful completion of the four courses in the Wilkes University School Business Concentration (SBC) program
 - Ten years of experience leading a school transportation program plus any **two** courses in the Wilkes University School Business Concentration (SBC) program.

Information about the Wilkes University School Business Concentration (SBC) program can be found at: <https://wilkes.edu/academics/colleges/sidhu-school-of-business-leadership/business-majors/abba/school-business-concentration.aspx> or by word searching “School Business Concentration – Wilkes University.” The four eligible courses for this certification can be found under “Course of Study”, then “School Business Official Certificate Courses”. They are listed below.

- ABBA 398 Information Technology for Schools
- ABBA 398 Analyze/Present School Business Data/Statistics
- ABBA 398 Optimizing School Support Operations
- ABBA 398 Strategic Decision Making for School Business
- Completed application, with signed statement from applicant and the qualifying employer’s chief school administrator, confirming relevant employment history
- Forty-six (46) completed CEUs in PASBO professional development programs within three years of the application date. Credits earned must be a combination of the core requirement (24 CEUs) and the elective requirement (22 CEUs). Details follow.

CORE REQUIREMENT (24 CEUs)

The applicant shall complete the following six (6) PASBO workshops (4 CEUs each) to satisfy the core requirement of 24 CEUs. Credit for these workshops requires completion of a non-graded (on-line) assessment, which must be completed within three years of the application date.

- *The Elements of Leadership, Management, and Supervision*: Currently in place as a workshop offering and also available on-line (4 CEUs)
- *The Elements of Budgeting and Planning*: Currently in place as a workshop offering and also available on-line (4 CEUs)

- *The Elements of School Transportation Management*: Currently in place as a workshop offering and also available on-line (4 CEUs)
- *The Elements of Purchasing*: Currently in place as a workshop offering and also available on-line (4 CEUs)
- *The Elements of Human Resources*: Currently in place as a workshop offering and also available on-line (4 CEUs)
- *School Bus Safety and Operations*: To be available as a workshop offering and also available on-line (4 CEUs) by the time of program announcement. Completion of SBL 508 (School Transportation) offered in the Wilkes University School Business Leadership Program is an alternative to the *PASBO School Bus Safety and Operations* workshop requirement. The on-line assessment requirement does not apply to *SBL 508*.

“Grandfather” provision: If credit is claimed for a course taken during the three-year period prior to the Certified Transportation Manager certification program announcement, the applicant must also complete and submit the core-course (on-line) non-graded assessment. The on-line assessment requirement does not apply to *SBL 508*.

ELECTIVE REQUIREMENT (22 CEUs)

Applicant shall complete additional PASBO workshops, webcast recordings, and/or conference seminars to satisfy the elective requirement of 22 CEUs.

- A current list of upcoming PASBO workshops can be found on our website. Go to <https://www.pasbo.org/workshops> and look for workshops with “CTM” after the title. Successful completion or presentation of one of these workshops will earn two (2) CEUs.
- CEUs will be offered for selected seminars at PASBO’s annual Facilities, Transportation and Safety Conference and PASBO’s Annual Conference. Attended or presented, these seminars will earn one (1) CEU each.
- Elements of Risk Management (4 CEUs)
- The Award of Excellence in School Transportation (4 CEUs)
- PASBO has an inventory of webcast recordings that address specialized and advanced topics. The purchase and successful viewing of one recording, with CTM after the title, will earn two (2) CEUs. Go to https://www.pasbo.org/store_home.asp for the full listing.
- Completion of SBL 508 (School Transportation) offered in the Wilkes University School Business Leadership Program. (12 CEUs). Note: SBL 508 can be used to meet both the Core and Elective requirement. This is the only allowable “double-counting” treatment.

REQUIREMENTS FOR RENEWING TRANSPORTATION MANAGER CERTIFICATION

Each certification shall be valid for a period of four years from the date granted. All applicants for renewal certification under the PASBO Transportation Manager Certification Program shall meet the following requirements:

- Current “Active” or “Life” PASBO membership since their last certification date.
- Completed application, with signed statement from the applicant and the qualifying employer’s chief school administrator, confirming relevant employment history
- Completed 32 elective CEUs in PASBO professional development workshops during the previous four-year period. These CEUs will be earned in pre-designated workshops. Please see “Elective Requirement” below.

ELECTIVE REQUIREMENT

Applicant shall complete PASBO workshops, webcast recordings, and/or conference seminars to satisfy the elective requirement of 32 CEUs.

- A current list of upcoming PASBO workshops can be found on our website. Go to <https://www.pasbo.org/workshops> and look for workshops with CTM after the title. Successful completion or presentation of one of these workshops will earn two (2) CEUs.
- CEUs will be offered for selected seminars at PASBO’s annual Facilities, Transportation and Safety Conference and PASBO’s Annual Conference. Attended or presented, these seminars will earn one (1) CEU each.
- Elements of Risk Management will earn four (4) CEUs)
